6th Annual Conference of **INDIAN ASSOCIATION OF NEONATAL NURSES**

(IANN)

12th - 14th Feb. 2016

Theme

“Neonatal Nurses : Champions for Survival of Neonates”

Venue

PSG IMS&R Auditorium,

PSG College of Nursing, Coimbatore, Tamil Nadu

Organised by

**Indian Association of Neonatal Nurses in Collaboration with
PSG College of Nursing, Coimbatore, Tamilnadu**

Tamil Nadu Nurses and Midwives Council Credit Hours will be Awarded.

Greetings from IANN,

Dear colleagues,

The survival of new born babies depends on the care we provide. International agreements have affirmed the world's commitment to improving new born health. New born often receives less than optimum attention. More than a quarter of global neonatal deaths occur in India, in which two-thirds of deaths are during the neonatal period. Neonatal Nurses play a key role in improving new born survival.

IANN is a well-established professional voice that supports the professional needs of neonatal nurses throughout their career through excellence in practice, education, research and professional development. IANN has taken several initiatives since its inception for updating the education and practice of neonatal nurses. The 6th annual conference of IANN is a step in this regard. PSG college of Nursing with its social commitment is privileged to associate with IANN to organize the 6th annual conference in Coimbatore.

PSG college of Nursing has been recognised for its excellence in training and equipping graduate and postgraduate nursing students. Over the years, it has been a leading institution in empowering Nursing Students and Nurses in their career skills and development.

Coimbatore is a city and urban agglomeration in the state of Tamil Nadu. It is situated in the Kongunadu region and is often been referred to as the Manchester of south India. Coimbatore is an educational hub of South India and it remains the preferred healthcare destination for people from nearby districts and state. It is perfect tourist destination for anyone who wishes to watch nature at its glory through its picturesque views. Great things are set in motion. Come share the experience and enjoy nature at its best.

Objective of the conference

Conference theme is to offer neonatal nurses and healthcare providers an opportunity to deliver time-bound core intervention to ensure survival of newborn.

Call for Research Paper / Poster Presentation

The abstracts are invited based on theme of conference.

Guidelines for Abstract Submission

We invite registered delegates to submit abstracts relevant to the theme for oral/poster presentation during the conference. The abstracts must not exceed 300 words in Times New Roman with font size 12, title and name of the author in bold capitals. The abstract has to be sent to the conference chairperson e-mail presiann@gmail.com on or before 30th January, 2016.
